UTV BED BASKET KIT PART# 5229K

Attach Upper Deck Brackets to the bed box per fitment instructions for your machine.

Attach the basket to the upper deck brackets with the 4 – Carriage Bolt, washer and nuts included in the Upper Deck Kit. Bolt will go down through the basket and upper deck bracket and washers and nut on the bottom side.

Do not over load basket and never use the upper deck and basket as a seat or passenger devise.
