

ITEM	PART#	QTY.	DESCRIPTION
1	5429HO	1	Basket
2	5037HO	1	Step
3	5107HO	1	Pan Mount
4	5590HO	1	Receiver Kit
5	6001HO	1	Tube Extension

Bolt the Pan Mount to the Basket with hardware included with the pan mount.

Attach the Receiver Kit to your desired location on trailer frame or which ever place you are intending on using it.

Use the Tube Extension to go into Receiver and pin or bolt in place.

Slide the Basket with pan mount onto the tube extension and secure in place.

Slide step into the end of the tube extension and pin in place.

Always make sure all parts are tight and secure before using each time and during travels.

Do not overload or use as a seat. Do not use basket as a step. Make sure all item are tied down and secure before usage.
