HERC Linq hold down for Can-Am

ITEM	PART#	QTY.	DESCRIPTION
1	6027-1	2	Lower Clamp with Stud
2	6027-2	2	Spacer Member
3	HDW9119-1	2	Female Knob
5	HDW9015	2	Rubber Sealing Washer

HERC Linq hold down will come assembled so just remove the knob align Lower Clamp with Spacer Member.

Place hold down into desired location, place accessory on top and use knob to secure.
(you will have to get the stud and metal plate to turn at least a 1/4 turn then pull upward and tighten knob)

Rubber washer is just to keep the stud from not sliding down.
